academic excellence, and model Christ-like  
leadership to influence their homes, churches  
and communities for Christ.*

# WELCOME!

Biblical Worldview Conference is truly one of the most important events we host at Prestonwood Baptist Church. I am so glad you are here! And I am so grateful for Prestonwood Christian Academy leaders, current and past, who have directed this conference the past two decades; and for the incredible impact it has had on countless students from schools throughout the region.

A biblical worldview directs us to live with an eternal perspective, grounded in truth and grace. Given the ever-deteriorating culture we live in, now more than ever, it's so very important that we are committed to our core set of values and principles. I praise God for the training students will receive in these days to sharpen their knowledge to be equipped to defend their faith while engaging the culture and sharing the love of Christ.

When we leave BWC, let us go forward with conviction and passion – standing on the truth of God's unchanging Word.

## **DR. JACK GRAHAM**

Senior Pastor | Prestonwood Baptist Church

Happy 20th anniversary to the Biblical Worldview Conference hosted by Prestonwood Christian Academy and Prestonwood Baptist Church! This year we welcome speakers, groups, schools, churches and individuals from across America and around the world. I know of no other worldview conference with as much engagement and accessibility with speakers; along with transformational biblical-centric content.

We are so grateful for the Prowse Family and their endowment of our conference. I shall never forget hearing Dr. Stephen and Dianne Prowse share the testimony of the impact this annual conference had on their two daughters, PCA graduates Lindsey Jones (Prowse) and Ashleigh Dysart (Prowse). I also want to thank our sponsors and the incredible staff of both Prestonwood and PCA for all their support.

Please be sure to engage with the speakers and content by texting either the keyword QUESTION (to ask a question) or the keyword NOW (for the immediate next step spiritually as a result of the message) to 74788.

## **DR. JEREMIAH J. JOHNSTON**

Dean of Spiritual Development – Prestonwood Christian Academy

Associate Pastor of Apologetics & Cultural Engagement – Prestonwood Baptist Church

Welcome to the 2024 Biblical Worldview Conference! It is a true honor to gather with you as we explore this year's theme, *Worldview Matters*. In a world full of shifting ideologies, we come together to reaffirm the unwavering truth found in God's Word and its foundational role in our lives.

As Christian apologist A.W. Tozer once said, "What comes into our minds when we think about God is the most important thing about us." This conference is an opportunity to align our thoughts, hearts and actions with God's truth, shaping how we view the world and live out our faith daily.

Thank you for being here, for your commitment to growing deeper in your understanding of God's truth, and for your partnership in shaping the next generation. I pray that this time together will inspire you, strengthen your faith, and equip you to boldly live out your calling.

## **DR. MICHAEL GODDARD**

Superintendent | Prestonwood Christian Academy School System

**SEAN MCDOWELL** *Tuesday: Worship Center*

Learn how to break free from screen addiction so you can scroll less and live more. Reclaim your time and conquer the social media trap. When it comes to our screens, we could all use a “refresh” so we can take control of our digital lives.

From social media’s grip on your self-esteem to the hidden dangers of online content, we’re getting into it all. We’ll also talk about how tech can be a powerful tool for learning and staying connected when used wisely. If you’ve ever wondered how to balance your digital world without losing yourself in it, this session is for you. Come and join us to learn how to use technology in a way that enhances your life rather than controls it!

But deep down, you know there’s more to you than what the world says. This session is all about getting real and cutting through the noise. We’ll dive into the fake identities the world tries to sell you – the pressure to fit in, be Insta-perfect, or chase popularity – and show you how to break free and develop an unshakable identity. If you’re ready to find out who you were truly made to be, this session is for you. Come uncover the true you!

**JORDAN SEKULOW** *Monday AM: Room A205, PM: Room A107 • Tuesday: Faith Chapel*

**“Debunking the Myth of Palestine”**

Israel has been the ancestral home of the Jewish people throughout recorded history. Yet academics, students, the media, and even our own politicians falsely accuse her of terrorism and genocide against “Palestine.” What the world now calls Palestine legally belongs to Israel but is controlled respectively by vicious terrorist organizations seeking the utter destruction of the State of Israel, and it’s our moral obligation to defend our ally and her people.

**LEE STROBEL** *Monday AM: Choir Rehearsal Hall , PM: Worship Center • Tuesday: Choir Rehearsal Hall*

**“How to Deal with Doubts”**

In this age of increased spiritual skepticism, how can we deal affirmatively with doubts when they threaten to derail our belief in the God of Christianity? **JONATHAN TEAGUE** *Monday AM: Room A103-105, PM: Room A208*

**“How to Share Your Faith with Courage and Conviction”**

Sharing the Gospel with people can be intimidating, but it doesn’t have to be. This session will teach strategies on how to effectively share your faith by understanding what the Gospel is and how you can communicate to people, regardless of their worldview or misconceptions about Christianity.

**WARREN TRUESDALE** *Monday AM: Room A104, PM: Room A103-105 • Tuesday: Room A104*

**“Seeing Clearly: How the Bible Restores Our Vision”**

**PETER J. WILLIAMS** *Monday AM: Room A207, PM: Room A104 • Tuesday: Student Ministry Building*

**“Can We Trust the Gospels?”**

We will see how well the evidence for Jesus compares with the writings we have about famous people in history. We then dive into the four Gospels and see how the writers were deeply familiar with the land and culture they wrote about. We can test the Gospels for reliability in many ways ... and they pass the test. We will also look at the way the four Gospels record one miracle, pointing to its truth.

### Who are Gen Z and what do they believe?

- Gen Z (born 1997–2012) is the least religious generation. Almost half of Gen Z in the United States describe themselves as “nones” (having no religious beliefs).
- Gen Z are also experiencing a mental-health crisis with higher rates of anxiety and depression than any previous generation.
- Gen Z are spiritually hungry. Many forms of spirituality are being pursued on TikTok and elsewhere, and Gen Z still pray at least occasionally.
- Gen Z are also seeking Christ. A survey among University of Kentucky students found 75 percent would accept an invitation to church. The Asbury Awakening and other students’ movements also reveal that a hunger for God is bubbling up.

### Reaching Gen Z on TikTok and social media:

- TikTok has more than 1 billion monthly users, half of whom are Gen Z (under the age of 30).
- TikTok (and social media in general) can be detrimental but is also a new mission field for sowing seeds for the Gospel.
- TikTok principles for sharing your faith – Capture attention. Be creative. Speak their language. Point to Jesus.
- TikTok videos that went viral – “Evidence for God,” “Science and Faith,” “The Evidence for Jesus”

## NOW

- 1 Do the non-Christian Gen Z young people you know show any interest in God? In what ways are they searching?
- 2 Social media can be addictive. How can we use it for good while remaining aware of the dangers?
- 3 What are the key questions we should address in online evangelism with Gen Z?
- 4 If someone expresses an interest in Christ on social media, what would you encourage that person to do next?

## PARENT ENGAGEMENT AND MINISTRY

Our team exists to walk alongside parents at PCA providing biblical resources to equip and encourage parents to raise their children in a Christ-honoring manner. We seek to strengthen the spiritual health of every parent in any parent situation (married, divorced, single, remarried, widowed) and will look to point every individual parent to their God-established role and responsibility to foster spiritual growth and maturity in the lives of their children.

## THE CASE FOR MIRACLES

Lee Strobel

 @lee-strobel

 @LeeStrobel

### 1 How should we define a miracle?

“A miracle is an event (1) brought about by the power of God that is (2) a \_\_\_\_\_ (3) exception (4) to the ordinary course of nature (5) for the purpose of showing that God has acted in history.” —Philosopher Richard Purtill

### 2 Aren't miracles impossible because they violate laws of nature?

---

---

---

### 3 How common are miracles today?

\_\_\_\_\_ percent of American adults say they have had at least one experience they can only attribute to a miracle of God.

### 4 How can we know if a miracle is genuine?

---

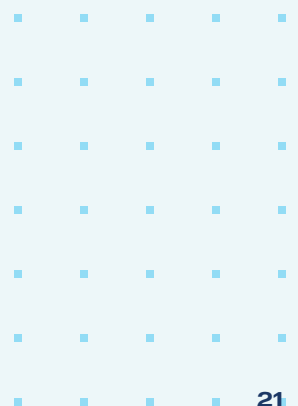

---

---

---

- 1 On a scale of 1 to 10, with 1 being “totally skeptical” and 10 being “completely convinced,” how would you rate your current opinion about whether modern miracles occur? Why did you choose that number? What would it take for you to move higher on that scale?
- 2 If you hear a report about a purported miracle, what questions should you ask to determine if it's legitimate? How would you distinguish between an unusual coincidence and a real miracle?
- 3 Have you ever had a seemingly supernatural experience you were reluctant to share because you didn't want others to think you were a religious fanatic? Please tell the story. Even if you have never had that happen personally, can you speculate about why some people might feel that way? What would be some possible reasons for their reluctance?

# PROWSE FAMILY

*endowment*

One of the most distinctive programs of Prestonwood Christian Academy School System is the intentional focus on developing a biblical worldview. The Biblical Worldview Conference was created to give students, faculty, and parents the opportunity to think critically about Christianity around the world! It helps us understand our response to a broken, fallen world through the lens of God's Word.

Generous alumni parents **Steve and Dianne Prowse** were grateful for the impact this training had in the lives of their children and were inspired to establish an endowment to ensure the continuity of Biblical Worldview integration into the culture and curriculum of Prestonwood Christian Academy.

Endowments provide perpetual funding to PCA and serve as the backbone of future growth in many programs like the PCA Learning Lab and Sponsor-A-Child tuition assistance program. A named endowment at PCA is invested immediately and harvested annually to support a program of the donors' choosing.

**IN A SOCIETY** increasingly drifting away from Biblical values, the American Church faces a critical moment. Scripture warns us in Isaiah 5:20: 'Woe to those who call evil good and good evil, who put darkness for light and light for darkness.' It's time for the Church to rise in its commitment to the Gospel and the unchanging truths of the Bible. Anything less is a capitulation to a culture that is at odds with The Kingdom of God.

This is why TPUSA Faith is committed to bridging the gap between faith and action. We firmly believe that when the Church stands boldly for the Gospel and for godly values, our nation will experience a God-breathed transformation.

TPUSA Faith exists to:

### ENGAGE

We call pastors and believers to engage in civic, social, and cultural dialogues without compromising Biblical truth. TPUSA Faith is a sanctuary for those unwilling to bow to the cultural or ideological mobs.

### EQUIP

We provide Christians with resources that uphold their God-given constitutional rights, all founded on the unchanging Word of God. This is not just education; it's equipping believers for a spiritual battle.

### EMPOWER

Through TPUSA Faith groups, courses, school board tours, Pastor gatherings, and Freedom Night in America we empower congregations to stand firm in their faith and values. We are not just a voice; we are an active hand helping the Church reclaim its role as central to society.

Above all, we believe Jesus is King and we are to occupy until He comes. We are uncompromising in our commitment to empower the Church to live out its role to be salt and light to a nation in desperate need of truth.
